HUBERT H. HUMPHREY
CHAIRMAN

Dear John:

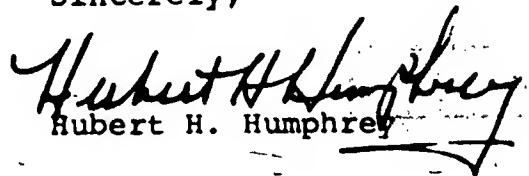

Please extend my congratulations to all those who helped to make our Youth Opportunity Campaign so successful this summer. Thousands of disadvantaged youngsters, who otherwise would have been neglected, found meaningful work experience provided by a government that cared, and the work contribution of these young people made our government stronger.

As you know, the President's Council on Youth Opportunity has now launched a Stay-in-School Campaign. I urge that all Federal agencies cooperate with this nationwide effort by hiring students as part-time employees as authorized under the Commission-approved special Schedule A appointing authority, Section 213. 3102(W).

The hiring record of the Federal government this summer has been impressive. Now I hope we can continue that fine work by providing part-time jobs that will enable needy young people to complete their education.

Thank you for your cooperation.

Sincerely,

Hubert H. Humphrey
